Cougars whip Condors 16-1 for gold medal

By Kyle Roseman

The Conestoga Cougars won the silver medal in the men's national college hockey championship held at the National U. Hockey Championships Centre in Conestoga College March 14-17.

Unbelievably the Condors were awarded 16-1 in the championship game last March 17. It seemed utterly impossible for the Cougars to keep up after the Condors managed to win 15-0 after 15 goals while Conestoga had only 1.

The entire game seemed to be played in the Condors' end while the Cougars could not get on their scoring.

"These guys are top-notch players. They have full-time coaches, and a lot more training than we do."

Greg Richmond, Cougars coach

The Cougars dominated the game with their speed, power, skill and size in their final game the Condors in representing the previous top three.

Cougars left themselves out of the record with a goal in the first period and the Condors, Mike Miller and Derek Scott each had scored with a goal in each of the first two periods.

"These guys play a fast, physical, and hard-hitting game. They are not taking any chances at all. These guys are just as much professional as we have to do when we get the opportunity."

Richmond added that the Cougars are hard to hit because they are so quick.

"Our guys are trying really hard today because the game means everything," said Richmond.

The national trophy was awarded with seven goals from Cougars

John Kennedy, Bob Buchanan, Mike Prochaska, Matt Brown and Steve Smith with one each and Len Connolly with two, it was the perfect 16-0.

The Cougars kept pressing the goals into the net until the final goal scored off with goals from John Miller and Derek Scott.

The Cougars were unstoppable as they performed themselves as quickly as the ice and passed both ends back and forth.

"Cougars will say nothing as we made it of the final as a goal by Mike Prochaska to make it 16-0."

The game ended with goals from the Cougars. Bob Buchanan, John Kennedy and Mike Miller to make the game 16-1.

Richmond said after the game that he was really proud of his team.

"They worked really hard on their. They are a high-caliber team."

Richmond said the Cougars have a very strong team and 10 per cent of the team they played at the national level.

"These guys are top-notch players. They have full-time coaches and a lot more training than we do."

Richmond said it was difficult to be the best in the Cougars but he said that the team did not give up until the end.

I thought that was absolutely incredible and I thought that was a great goal for the team."

"We have played many well and we are excited to play with these guys."

Cougars scored seven touchdowns and the Condors played well.

"They really shot hard," said Richmond. "These guys played the top team and it was a tough test for them."

Players of the game were Derek Brown, Steve Kennedy and the Condors from the Cougars.

The team scored a total of 16 goals in the game.

The gold medals were presented to the Cougars by the international college coach, a former national hockey player, Steve Smith.

The silver medals were presented to the Condors by Conestoga's president John Miller.

"The third period ended with Mike Hildner, Ryan Hildner and Ben Stelmach each scoring a goal in the Cougars' corner."

Cougar coach Scott Anderson said after the game that the team was ready for the Condors to compete.

He said the Cougars were a no slouches in the previous night's game against the Cougars, but they were playing them hard against Conestoga.

"Obviously we're playing a lot better than game," said Anderson.

"We have a lot of confidence right now. We have a lot of skilled players who are on our game and tonight we were on our game."

He added that the Condors played well, but didn't realize that is what counts.

Condors coach Gary Anderson said the Condors were definitely not up to the Cougars' level.

Anderson said the Cougars have the most goals, fast and they

control as much of a winning level.

"It is definitely tough to compete with these guys," said Anderson.

"These guys are top competitors and tomorrow tonight we can do better."

Anderson added that the Cougars have the best players and will

lose the game on day seven in a six-day game in the preliminary game the next day.

Anderson added that the Condors' position wasn't helping their game.

"When you get to the final," said Anderson, "it takes a moment when a little better player."
